

EDUCATION

Seeking more information about effectively managing your hospital or health system?

For more than 20 years, The Quality Management Consulting Group's (QMCG) experienced legal consultants have teamed with board-certified, well-respected physician and advanced practice provider consultants to provide health systems, hospitals and health care providers with quality management and clinical quality support services.

Our team offers tailored education and training for governing body, medical staff, and quality leaders on topics such as management of staff and clinical service lines, quality care and current industry trends or issues affecting their businesses. Services conveniently available on-site, off-site and virtual.

Education Services and Special Programs

THE QUALITY MANAGEMENT
CONSULTING GROUP
Partners In Health Care Improvement
